Address: _____

Phone #: (_____) _____ Fax: (_____) _____

E-mail: _____ Est. Robot Purchase Date: _____

Check off what you are sending in with your unit:

Robot	Power Supply	Filter Bag	Bottom Lid	Remote	Bag Clips
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Reasons you are sending your Robot in? (Ie. Preseason Service, Power supply not working, Robot not moving etc):

Please do not send the caddy or wet filter bags!

Upon receiving the unit, we will review the robot and provide you with a free estimate. An estimate is usually provided within 3-5 days after receiving the unit. Once the estimate is reviewed by the customer he or she can either:

- 1. Authorize "O'Neill and Sons" to proceed with the repairs, and ship the robot back to the customer. At this point payment will be required to proceed with the repair.*
- 2. Have the unit shipped back unrepaired for a charge of \$30*
- 3. Authorize " O'Neill and Sons" to dispose of the robot for you*
- 4. We take Visa, Mastercard or Discover for payment*
